Commenting on the share selling, Mr. Pravin Herlekar – CMD, Omkar Speciality Chemicals Ltd., said, “The shares sold by the Promoter Group, have been towards the repayment of loans against which the shares were pledged. The amount that was received is being utilized to reduce the debt of the Company, consequently bringing down the high interest costs that we currently bear. This fact is also highlighted in the respective disclosures about sale of shares posted by us on the Exchanges from time to time.

The company's operations are consistent on account of diversity in various niche products & wide customer base. Moreover, the EBIDTA margins are also reasonably strong and sustainable. We wish to reiterate that we are committed to the future growth of the Company and reduction in debt will pave way for improving operational margins in the Company. We are confident that this will lead to enhanced profitability, creating value for our Company”
